Turn-key downtown commercial condo – 2,359 ft²; DC-28 zoning, fully refreshed in 2022. Bright second-floor space now laid out with large open room, full wall of windows, 6 separate spaces, an open studio/showroom, kitchenette and washroom; electrical rough-ins make it easy to subdivide into up to five private rooms. Recent upgrade includes a \$12 k rooftop HVAC unit and modern flooring/fixtures, so you can move in without cap-ex. With condo fees + 2025 taxes, owning works out cheaper than most downtown leases. DC-28 zoning welcomes medical/wellness, salon & esthetics, boutique retail, professional office or training uses. Own it for only \$127 / ft²;. Quick possession available. A commercial lease is also an option for companies that are not looking to purchase.
