Inclusions: OTR Microwave, Reverse Osmosis, Water Softener, 1 Garage Remote, TV Brackets Attached to the Walls

OPEN HOUSE SAT - MAY 31, 12-2PM Step into this two-story home perfect for your growing family. From the moment you roll up, the adorable front porch and dynamite curb appeal set the scene. Inside, you'll find a main floor that's extra spacious. The 4-panel sliding glass door along the back lets the southern sunshine flood in, casting the perfect glow on the off-white cabinetry, massive kitchen island (seats at least three of your favourite people), and loads of pot & pan drawers. Set the table for your entire extended fam — there's plenty of room for big feasts. Working from home? You'll love the main floor office with a big sunny window and a stylish barn door that slides shut for peace and productivity. Upstairs, the central bonus room keeps things harmonious, creating a perfect separation between the oversized kids' rooms and the primary suite, your private retreat in the sky. Enjoy your own ensuite, a massive walk-in closet, and a balcony that's just right for a morning brew or mellow sunset read. Plus, there's a sun-soaked upstairs laundry room that makes chores a little less... square. Down below, the fully finished basement (developed by the builder) includes a giant rec room, extra storage, a full bathroom, and an additional bedroom for guests, teens, or your family from out of town. Out back everything is already done: enjoy simple, stylish landscaping, a big deck made for BBQing and entertaining, a built-in bench for reading, and a super tidy fence. The wide garage has room for your wheels and more. You've got the works: reverse osmosis water system, A/C, water softener. And the location is right on — just a hop from Chinook Winds Park, close to pathways, shopping, restaurants, and a smooth cruise into Calgary.
