With over 2,000 sq. ft. of thoughtfully designed living space, this modern home offers five spacious bedrooms, 3.5 bathrooms, and a triple car garage. Step into a grand, welcoming foyer that leads to an expansive open-concept main floor—perfect for both entertaining and everyday living. Please note that the exterior images are architectural renderings and not photos of the actual property. Interior photos are from a previous build and are shown for reference only. Finishes, features, and layout may vary. The main level features a stylish kitchen, generous dining area, and a cozy living room with a fireplace and large windows that flood the space with natural light. The private primary suite includes a 3-piece ensuite, a large walk-in closet, and direct access to the laundry room for ultimate convenience. A 2-piece powder room completes the main floor. Upstairs, two additional bedrooms and a 4-piece bathroom offer a private, comfortable space for family or guests. The fully finished basement adds even more versatility with a spacious rec room, two more bedrooms, a 4-piece bath, and a utility room with plenty of storage
