The 29 x 39 ft. shop is insulated & heated with 12 ft. ceilings and small office. If you have pets, there is approximately a half acre of fenced yard. The property also has underground sprinklers, a pergola for outdoor meals or entertaining and a gated entrance for security, paved driveway and a storage shed next to the shop. There is also a 20 x 28 storage building on the property. Surrounded by a large farmer's field provides additional privacy, so virtually no neighbours adjacent to property.
