Sitting on a spacious lot, mere minutes to shopping, Trico Centre, Library, and Willow Park Golf & Country Club, you just cant speak enough about this location. Inside, you’ll find a home filled with character. Unique features like a Venetian crystal, stained glass dividers and Tiffany-style lighting bring a personal touch that tells a story. And whether your taste leans toward preserving the classic charm or updating to modern finishes, the canvas is already beautiful. For those who love the look of rich wood-grain paneling in the family room, pairs perfectly with the durable narrow-slat oak hardwood flooring and durable tile. Great for pet lovers or little action heroes running around with toys in hand. Upstairs, you'll find a spacious primary bedroom with its own updated 3-piece bathroom — offering comfort, convenience, and a quiet place to recharge. Two additional bedrooms complete the upper level, ideal for kids, guests, or a dedicated home office. Downstairs, the partially finished basement gives you flexibility — with a fourth bedroom already in place and a generous recreational space ready for your vision. Media room? Home gym? You decide.
