This Bellevue home has been updated with a new electrical panel, meter, and service upgrade to 100 amps as well as, fresh paint, new carpet and vinyl flooring, and new exterior features! This property includes two lots on separate titles right at the end of a peaceful street with mountain views on every side. Step over the front porch and into the bright entryway where you'll be greeted by a spacious living and dining room. Large windows create a welcoming atmosphere and offer a gorgeous view of the corner lot and surrounding landscape. Two adjoining bedrooms include large closets. making an ideal layout for small families or investors. Further in, the kitchen is practical with plenty of cupboard space and L-shaped counters. A nearby home office includes access to the side yard, for a restful break when working from home. A full four-piece bath and roughed-in laundry room are centrally located, creating a smart layout. The rear mudroom completes the home and leads out onto the spacious rear patio and yard where shrubs provide shade and privacy and a gravel parking pad gives plenty of space for hosting friends. If an updated property in a quiet neighborhood with unbeatable mountain views sounds like the place for you, give your REALTOR® a call and book a showing today!
