This beautifully designed modified bi-level offers space, comfort, and flexibility for any lifestyle. The private upper-level primary suite includes a full en suite, creating a true retreat. The main floor features two additional bedrooms, a full bathroom, main floor laundry, and an open-concept kitchen, dining, and living area with vaulted ceilings that enhance the sense of space and light. The fully developed lower level includes three more bedrooms, a full bathroom, a second laundry area, and a secondary kitchen setup—ideal for extended family, guests, or potential suite use. A rare opportunity to own a home with this much functional space in such a sought-after location!
