This one of a kind property must be seen to be appreciated. 7 acres nicely tucked in at the end of Hidden Acres Estates, located west of Caroline, AB. This unique parcel offers Alfred Creek right in your backyard and backs on to a county road allowance accessing the Clearwater river only a few steps away. The 2000 sq.ft. home consists of a 1980 log cabin with a large addition built in 2007 (completed in 2010). The home offers 3 bedrooms, 2 bathrooms, a spacious kitchen/dining area with vaulted ceilings, a cozy living room in the cabin area with cookstove and patio doors accessing the covered deck. The upper level hosts a large master suite with a 3 pce ensuite bathroom and a walk-in closet. The laundry room also provides room for the hot water tank, the well access and the pressure tank. The home is heated with 2 propane stove and a wood burning cookstove. An outdoor boiler used to be in place, but has been removed (the lines are still connected to the house and a new boiler could be installed). Upgrades include the hot water tank (2020), shingles (2023), septic tank emptied and new pump installed (2024). The mature and nicely treed lot offers numerous outbuildings including a garage with attached covered storage/lean to, a fully insulated meat room with cold room, a cute little outhouse, a cozy cabin with shower, sink and furnace, a small green house, and numerous storage sheds (some with power and some without). A second well (bored well) supplies a water hydrant at the back of the house. Large decks for entertaining, firepit area, horseshoe pits, and so much more! This property is truly reflects country living at its best.
