Incredible opportunity. This Office structure is partially developed and comes with 5 Acres+/- of well packed fully developed fenced and graveled lot. Each floor is 13,000 Square Feet. Could be a great headquarters with lots of room to build an industrial shop\ and the 6.5 Acre lot adjacent is also available. Potential of a 11.5 Acre site visible from HWY 2 and just north of McDonalds and Shell Gas Station. This building is easily modified to suit your needs. Upstairs is a vacant slab with roughed-in washrooms and fully functioning HVAC. The building has a fire suppression system. Easy to view.
