Discover The Ashton, a beautifully designed home built with thoughtful upgrades throughout. Built by a trusted builder, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub. The executive kitchen features built-in stainless-steel appliances, a chimney hood fan, gas cooktop and a walk-through pantry with french doors. Enjoy seamless living with LVP flooring throughout the main floor. The home includes a walkout basement onto a rear patio, as well as a 9'6" x 12'0" rear deck off the main floor. Relax in the 5-piece ensuite featuring a walk-in shower, soaker tub, and tiled flooring. Additional highlights include a vaulted ceiling in the bonus room, electric fireplace with a mantle and tile below, extra windows for natural light, and elegant paint-grade railing with iron spindles. A home designed for comfort, style, and convenience. Photos are representative.
