THIS ONE IS A GEM! LOG ALL SEASON HOME WITH BASEMENT AND IS SURROUNDED BY TREES AND OFFERS LAKE VIEWS TO ENJOY LAC LA BICHES INCREDIBLE SUNSETS. Situated on a half-acre of land that features a municipal reserve trail behind the home, the wildlife corridor, plus a bird sanctuary. The seller is sad to sell this little piece of paradise where she has enjoyed privacy and pure Zen living. This log home features a living area that shines with pride in ownership, vaulted ceilings, solid pine doors, a bright living area, and a cozy living room with a wood-burning fireplace. The main and lower level offers a combined living area of over 1500 sq ft. There is a beautiful kitchen that features a wrap-around island that overlooks your living room and dining nook. There are 2 bedrooms on the main level and a full bathroom. The lower level is almost fully complete and offers a great space for another family room, bedroom, and loads of storage space. Finishing off, this space already includes electrical and drywall. The lower level is complete with a laundry room. The exterior of the home is your private oasis where you can sit on the front veranda and take in picturesque views of the lake. The property has a 2000-gallon cistern and septic tank, furnace, hot water tank, 100-amp service, power, gas, and you will have satellite internet and phone service. The yard is fully landscaped, and you have direct driveway access to the property. This property is a rare find and priced to sell for under \$300k. You are close to boat launches and a quick commute to town, and just over 2 hours away from Fort McMurray. This property can be the place you call home or your family's recreational property to enjoy lake living in the Summer, and the world-famous ice fishing in the winter. This is an outdoor lover's dream. Call today for your private tour of this special gem.
