Excellent Location across from Henderson Lake Golf course! This 5 bedroom Bungalow has lots of natural light, A/C, hardwood, newer appliances. There are 3 bedrooms on the main floor and an additional small bedroom down as well as a good sized incomplete bedroom in the basement. The house is nestled into a spacious lot with off street parking, a side alley as well as a rear alley and boasts a large beautiful yard with the possibility of a future double garage. A new roof was added in the last 3 years and solar panels were added at that time. These panels have saved the owner approximately 75-80% off of the utility bills each year, a copy of rebates and minimal monthly costs are available. The property requires some updates and finishings. Book your showing with a realtor today and bring your ideas to make this home your own.
