The primary bedroom easily fits a king-sized bed and connects directly to a walk-through closet and a spacious 4-piece bathroom. You'll also appreciate the dedicated in-suite laundry room, which offers not just convenience but additional space for storage. The monthly condo fee covers all utilities except electricity, giving you cost certainty and peace of mind. The building offers full-time concierge and on-site security, creating a safe and well-managed environment for residents. Sasso is packed with lifestyle amenities including a fully equipped fitness centre with cardio and weights, a lounge with a pool table and wet bar, a movie theatre room, and even a hot tub and sauna for unwinding at the end of the day. You'll also enjoy a titled heated underground parking stall (stall

You're just steps from Calgary's new Entertainment District, the Saddledome, Sunterra Market, Shoppers Drug Mart, The Mustard Seed, and countless restaurants, shops, and parks. Plus, the Victoria Park/Stampede LRT station is on the same block, offering free fare within the downtown core and an easy commute anywhere in the city.
