Fibre Optic High Speed Internet Broadcast Business Park offers a unique mixed use project with land sales built to suit opportunities in a highly visible location. Individual lots of various sizes are available, ranging from 0.5 - 1.00 acres which can be combined to form a bigger parcel. The land is in close proximity to mature commercial and residential neighborhoods, including 100+ new residential units in the Broadcast Business Park. Excellent access and visibility from 28th Street North
