Wonderful opportunity to own a lovely affordable manufactured home on your OWN lot! This is not a mobile home park and there are no fees!! This spacious 3 bedroom home has a lot to offer including large rooms, a huge fully fenced yard backing onto green space tucked into a quiet neighbourhood near all amenities. The home could use a little TLC however it is completely liveable just as it is! The location is fantastic - close to schools, parks, walking paths and all of the amenities of downtown High River. The community is known for its small town charm making it a wonderful place to call home!
