As you walk into the unit, you will be immediately impressed with the open feel of an extra wide entry, with room for a bench, that leads to the main, open living areas. This corner unit has extra windows that allows natural light in throughout the home giving it a bright and airy feel. You'll appreciate the updated vinyl plank flooring throughout the main living areas that will yield years of durable use. features, this unit has a laundry room with enough room for a freezer and more storage plus an ample entry closet for coats and shoes. If this weren't enough, a wide parking stall with only 1 spot beside it is in an ideal location and is directly beside the secured storage locker room for this unit.
