This building is located in the downtown core of Brooks, Ab with over 12,000 square feet the development options are endless. The upper level is host to 8 individual bachelor suites that has potential for a generous monthly revenue. The suites need to be completed but have been taken down to the studs, some with fresh drywall. The lower level was once a hotel bar but it has also been taken down to the studs and ready for you to develop. with a shortage of commercial retail space for rent it could provide multiple units to accommodate the shortage. Cal today to discuss and GET MOVING IN THE RIGHT DIRECTION!
