This exceptional 2 1/2 storey home has over 3500 sq. ft. of beautifully finished living space still covered by the balance of the Alberta New Home Warranty. Designed for modern living, it combines thoughtful details, room for family and extended family, and even offers rental opportunities thanks to a legal, self-contained secondary suite in the basement with its own private entrance. The main level welcomes you with a bright, open-concept layout featuring high ceilings, a living room, dining area, and upscale kitchen with statement lighting package, white Shaker-style cabinetry, stainless-steel appliances & range hood, quartz counters, a central island, walk-in pantry, and a dedicated coffee station. A powder room, office area and practical mudroom complete this floor. A spacious family room anchors the second level, alongside a primary retreat with walk-in closet and a luxurious, spa-inspired 5-piece ensuite that includes a deep soaker tub and separate, roomy shower. Three additional bedrooms, a 4-piece bath, and a full laundry room add everyday convenience. The top floor is a private haven with its own bedroom, full bath, and den/bonus room—this floor is perfect as a teen retreat, or quiet workspace. The developed basement, with its own separate entrance, adds even more flexibility. A full kitchen, living room, two bedrooms, bathroom, laundry, and storage make it an excellent option for extended family, guests, or rental income. This legal, secondary suite is fully independent, with its own furnace and hot water tank. With a dry-walled and insulated double front-drive garage, fenced backyard, and modern finishes throughout, the appeal of this beautiful home is hard to beat! Shops, services & restaurants are within walking distance at the Savanna Bazaar commercial centre with schools, shopping and the Saddletowne LRT station just minutes
