Welcome to 340 Fireside Drive, a newly built two-storey duplex in the family-friendly community of Fireside, Cochrane. This thoughtfully designed home blends style and function with bright open-concept living and modern finishes throughout. The main floor features 9' ceilings, Royal Design Sapphire luxury vinyl plank flooring, and a spacious kitchen with Elegant White quartz countertops, full-height shaker cabinets in Esteral, stainless steel appliances, a built-in microwave, a Blanco Silgranit Café sink, Boardwalk White matte backsplash, and a large island with seating and ample storage. At the front of the home, the living room is filled with natural light from large windows, creating a welcoming space that is ideal for both everyday living and entertaining. A half bath and stylish entryway complete this level. Upstairs offers three bedrooms, two full bathrooms and a convenient laundry space. The primary suite includes a walk-in closet and a private ensuite with a double vanity. Two additional bedrooms and a full bath provide space for family or guests, and a hallway linen closet adds extra storage. The basement includes rough-ins and plenty of open space. This home also features a side entry, 9' foundation, upgraded railing, a gas line to the kitchen range and a BBQ gas line outdoors. Exterior details include a Craftsman-inspired elevation with stone accents, a concrete front landing and a double parking pad out back. Fireside is a vibrant community with two schools, extensive parks and pathways, and local shops and services. It also offers quick access to the Rocky Mountains, downtown Cochrane and an easy commute into Calgary. Area size was calculated by applying the RMS to the blueprints provided by the builder.
