OPEN HOUSE SAT OCT 4th 1-4 PM. Embrace a lifestyle immersed in heritage! This most charming and authentic registered heritage home in High River can now be yours! Featuring a wraparound porch and detailed ornamentation true to the early 20th century, the home retains many original design elements that have stood the test of time—offering both historical charm and the warmth of a well-loved Alberta home. Inside, you’ll find three bedrooms and one and a half bathrooms, a graceful spindle staircase with ornamental wainscoting, and a stunning antique light fixture in the living room. The dining room, highlighted by a stone fireplace and vaulted ceiling, overlooks the beautiful south-facing backyard and deck. The main floor includes a washer and dryer, quality kitchen appliances, and a butcher-block countertop. Natural light streams throughout the home from every direction, even through skylights in the stairwell and bathroom—so the stars can shine through at night. Situated on a double lot, the property features mature trees and native Southern Alberta shrubs and perennial flowers, some of which have thrived as long as the house itself. The rhubarb, for instance, has been growing in this very spot for over 100 years! The double garage, currently used as an art studio, is insulated with R22 in the walls and could easily be converted back into a garage, with the rough-in for the double door still in place. A charming playhouse and a vegetable garden plot add to the appeal, ready for your family’s enjoyment and green thumb. The location is excellent—just a short walk to shopping, parks, restaurants, historic downtown, and more. Move in soon and embrace a creative lifestyle in a home and setting that truly transcend time!
