The High Apartment Buildings, a historic trademark of High Prairie since 1945, began its life as "The High Motel" and has since evolved into a charming multi-use property. Today, it offers six apartments alongside a flexible office space, which the current owner utilizes but has rented out in the past—most recently to the local Shoe Repair Shop. The basement adds even more utility, serving as a private recreation and storage area. Whether you're drawn to its vintage appeal, its income potential, or its central location, this property is a rare find. Don't miss the chance to explore it yourself—call, email, or text today to schedule a viewing!
