Welcome to 18 Cimarron Grove Bay — nestled beside a peaceful nature reserve, this fully renovated 2-storey walkout showcases nearly 2,500 sqft of beautifully reimagined living space. With 5 bedrooms upstairs and 3.5 bathrooms, every detail has been thoughtfully crafted to deliver a modern coastal-industrial feel, where warmth, style, and durability come together effortlessly. The main floor showcases a custom-renovated kitchen (2025) with a striking concrete island inlaid with shell, fossils, and agate. Paired with high-end appliances including a Forno gas range, LG range, and Samsung fridge. The open-concept living space is anchored by a dramatic ledger-stone fireplace and new flooring throughout, flowing seamlessly into the sun-filled dining area. Upstairs you'll find five spacious bedrooms, each with blackout blinds, custom linen drapes, and brand-new solid Lincoln doors with upgraded trim and baseboards. Bathrooms throughout the home have been fully redesigned with curbless showers, waterproofing systems, and custom concrete countertops, mirrors, and finishes; built to last. The fully finished walkout basement (2025) expands your living space with a large recreation area, a brand-new electric fireplace, and a 100% waterproof full micro-concrete bathroom featuring shiplap ceiling with concrete integral sink. Step outside to the private cedar hot-tub room (2024) with a 10-person All American spa, perfect for year-round relaxation. Additional highlights include a new vinyl deck (2024), a custom chevron-tiled staircase, designer lighting throughout, new washer/dryer set (2023), a 107 sqft shed, and a double attached garage. With its one-of-a-kind design, premium finishes, and breathtaking natural backdrop, this home delivers the perfect balance of luxury and lifestyle.
