Beautiful 4498 sq ft space suitable for many different types of businesses. Originally built by a home builder to showcase their workmanship. This space feels more like a home than an office building. Gorgeous finishings throughout including quality cabinetry, granite countertops, high end trim, lighting & plumbing fixtures. The space even includes a fireplace & waterfalls in the large upstairs board room. Currently houses a therapy clinic but would be ideal for any business which requires lots of offices/rooms of varying sizes. Presently the space is configured with a total of 13 offices (2 very large spaces which could be board rooms), reception area, 3 washrooms, file/storage room, 2 kitchen areas, 3 exterior entrances. Could also accommodate a business which needs office space and a retail showroom. Basic rent is \$18/sq ft = \$6747/month. Additional rent is \$5.90/sq ft = \$2211.51. Fabulous building - TOTAL CLASS! This is a must see space. See attached Matterport tour. Or lease the entire building including the 1702 sq ft shop.
