Looking for a place that fits your budget and your vision? This move-in-ready home offers solid value with plenty of potential to make it your own. Tucked into a quiet cul-de-sac with no neighbours behind, this property features a walkout basement, single attached garage, and a welcoming front deck — perfect for morning coffee or visiting with friends. Inside, you’ll find an open-concept main floor that connects the living, dining, and kitchen areas, creating a bright and functional space for everyday living. Step out onto the rear upper deck, ideal for evening BBQs and watching the sunset over the open space behind — a rare find in this price range. Upstairs, there are three bedrooms, including a primary suite with a walk-in closet and private 3-piece ensuite. The walkout basement is mostly finished, offering a spacious rec room, roughed-in bathroom, and just a few finishing touches left to complete. The backyard is a good size, offering room for gardening, play, or future landscaping ideas. This is your opportunity to get into the market affordably and build equity over time. With a little polish and personal touch, this home could truly shine!
