Lot opportunity in a great location! 620 Spencer Street SE is being offered as a LOT ONLY sale. The existing structure is not habitable and will require demolition (no access, therefore, no measurements.), but the heavy lifting of asbestos abatement has already been completed, giving buyers a clear path to redevelopment. Zoned MU (Mixed Use), this property provides a range of potential options for future use, whether residential, commercial, or a blend of both. This is a unique opportunity to create your own vision on a versatile site.
