Welcome to this meticulously maintained, original-owner Morrison-built home tucked away on a quiet crescent in the heart of Auburn Bay. With an oversized pie-shaped, southwest-facing lot that's both well-treed and private, and just four houses from the playground, this property perfectly blends family living with an unbeatable location. Step inside the vaulted front entry, where a spacious den sets the stage for a home office or study. A formal dining room with bright windows and a niche adds elegance for entertaining. At the back of the home, a welcoming family room with a central gas fireplace flows into the expansive kitchen and sunny breakfast nook. The kitchen features a large island with raised breakfast bar, gas stove, dark stained cabinetry, sleek black quartz countertops, stainless steel appliances, and a classic box-style hoodfan that gives the space an elevated, timeless feel. A built-in bar with wine rack and glass accents doubles as a coffee station, while a full pantry keeps everything organized. Blonde hardwood runs throughout the main level, and a practical mudroom with a 2-piece bath connects to the double garage. Upstairs, the vaulted bonus room offers a cozy corner fireplace and is surrounded by open railings that carry throughout the upper hallway, giving the entire level a bright, open feel. Two generously sized kids' bedrooms, a 4-piece bath, and an upper laundry room add family-friendly convenience. The primary retreat is a showstopper with dual French doors, a bay-window sitting area, massive walk-in closet, and a spa-inspired ensuite featuring dual sinks with granite counters, a large corner soaker tub, and a stand-alone shower. The fully finished basement offers even more living space with a large rec room (with barn door separation), a full-sized bedroom, 4-piece bath, sunshine windows, and loads of storage. Berber

carpet throughout adds warmth, while central A/C keeps the home comfortable year-round. Outside is where this home truly shines. The oversized, pie-shaped lot is surrounded by mature trees, offering privacy and serenity rarely found in the community. A large back deck with gazebo overlooks the yard, while a smartly designed dog run extends directly from the deck for ultimate convenience. With a southwest-facing backyard, you'll enjoy sun all day and evening — perfect for summer gatherings. And of course, life in Auburn Bay means year-round lake access and endless recreation: swimming, paddleboarding, skating, fishing, and more. Add in schools, parks, shopping, restaurants, the South Health Campus, YMCA, and easy access to Deerfoot and Stoney Trail — and you've found a community that offers it all. This is more than a home. It's a lifestyle in one of Calgary's most desirable lake communities.
