EXCEPTIONALLY MAINTAINED ANDERS BI-LEVEL - BRIGHT AND INVITING!! This beautifully maintained bi-level in the highly desirable neighbourhood of Anders South was built in 1999 and lovingly cared for by the original owners. This home is immaculate inside and out &mdash; from its well-manicured yard and charming garden features to its thoughtfully upgraded interior. Uniquely designed and unlike most bi-levels, this home boasts soaring ceilings and a stunning south-facing wall of windows that span from ground level to just below the ceiling, flooding the home with natural light and showcasing the show-stopping lower-level living space. With four bedrooms and three full bathrooms &mdash; including an updated three-piece ensuite in the primary bedroom &mdash; there's space for the whole family. The main floor also features convenient laundry, and a bright, spacious kitchen with quartz countertops. Downstairs, you'll find two additional bedrooms, another updated bathroom, a cozy family room, in-floor heating, and a dedicated storage room. The attached double garage is equally impressive, with plenty of storage and even quartz counters &mdash; ideal for projects, hobbies, or extra workspace. Outside, the fully landscaped yard offers a private oasis with a garden fountain, flower beds, patio, deck, and mature trees. Plus, this home is equipped with solar panels to help reduce monthly utility costs and contribute to long-term energy savings &mdash; a smart, sustainable upgrade. If you're looking for a truly unique and exceptionally well-kept home in a premium location, this is the one to see.
