What a great opportunity to own this good starting home located in the peaceful community of Hidden Valley... this well maintained home was freshly painted, it has a laminated floorings in the main level and new carpets through out in the upper level, updated lightings, newer stainless appliances that includes a brand new hood fan and the most exciting is; no more POLY - B piping that scares most of the Insurance Companies, because now those Poly B piping was recently replaced by NEW PEX Piping. This house offers almost 1,500 square foot of livable area, this includes 3 good sized Bed Room, 1.5 bath rooms with Newer Tiles around that brings into a newer look. The fully developed basement is where your laundry and heating system located is also well organized to have an ample storage. What you're waiting now?
