Profitable and well-established taxi booking and ride booking business in Airdrie, AB for sale, offering a seamless blend of traditional cab service and modern app-based ride requests. This turnkey operation runs efficiently with minimal owner participation, supported by an online booking platform and dedicated dispatchers managing daily operations. With steady income from local and airport rides, strong community presence, and proven systems in place, this is an exceptional opportunity to acquire a profitable, very low-maintenance transportation business with solid growth potential.
