This well-maintained 3,100 sq. ft. double-bay industrial condo is ideally located in Red Deer's Edgar Industrial Park, offering quick access to QEII, Highway 2A and Highway 11A. The main floor includes a welcoming reception area, open display space, washroom, kitchenette, and storage room. A large mezzanine adds valuable workspace with open area and two private offices. The shop area is equipped with two overhead doors, high ceilings, and radiant heat, providing a functional layout for a wide range of industrial uses. Exterior access includes a shared compact gravel yard, ideal for light outdoor storage or vehicle maneuvering. An excellent opportunity for businesses seeking efficient, versatile, and well-connected industrial space in a prime Red Deer location.
