This inviting space flows effortlessly into bright living areas anchored by a cozy wood-burning fireplace, making it ideal for both everyday living and unforgettable gatherings. Throughout the upper floor, luxury vinyl plank flooring pairs beautifully with recent upgrades. The windows, doors, shingles, lighting and Hardie board siding with Fusion stone veneer accents were all updated three years ago, ensuring the home is as efficient and low-maintenance as it is beautiful. Step outside and discover a landscape unlike any other. Over 2,500 trees have been thoughtfully planted, creating a rich tapestry of color, texture, and privacy.
