Over \$100,000 worth of renovations done including: roof, siding, vinyl windows, hardwood, cork and tile floors, freshly painted, electrical and plumbing updated, beautiful custom cabinets in the kitchen with a counter top stove, built in wall oven and microwave. The upstairs bathroom and laundry room were just done in 2025. Underground sprinklers in the front yard and low maintenance back yard with a huge composite deck, vinyl fence and perennials. The single car garage has a workshop and plenty of room for your vehicle. The City of Red Deer just re-did the sewer system on our street in 2024.
