A cheerful playground right across the street sets the scene for laughter and play. Inside, the grand entryway opens to a space designed for real life — the kind that feels both polished and welcoming. From the garage, a walk-through pantry keeps your groceries organized. The open main floor invites conversation and comfort, where the modern kitchen with its generous island meets a sunlit living room anchored by a cozy gas fireplace. Upstairs, find a versatile bonus room that adapts to your lifestyle — movie nights, playtime, or a quiet retreat. Two bright bedrooms and a full bath offer space for everyone, while the primary suite delivers pure relaxation with its walk-in closet and spa-inspired five-piece ensuite. Upstairs Laundry with a modern feel and NEW washer and dryer. 5 new fans dispersed throughout the home. Step out back and discover your own outdoor sanctuary — a massive deck with a pergola perfect for summer evenings, surrounded by plenty of lawn and garden space to unwind or entertain. New trees have been added for additional privacy. A conveniently located dog run for the furry family love. There's even a garden shed for your tools and treasures.
