Welcome to this beautifully upgraded home in the vibrant community of Hotchkiss—where style, space, and a little bit of “wow” come together in 2,557 sq ft of thoughtfully designed living. With 4 bedrooms and 2.5 bathrooms, there’s room for everyone—even that one family member who “just needs to stay a little longer.” The heart of the home is the show-stopping kitchen, featuring a massive quartz island with eating bar (aka the unofficial gathering spot for snacks, homework, and life chats), plus an upgraded appliance package with a wall oven and gas stove—because takeout deserves a night off too. The open-concept main floor is perfect for entertaining or keeping an eye on things while pretending you’re not eavesdropping. A main floor den with a beautiful glass privacy door offers flexibility for your dream of a home office. Upstairs, you’ll find a spacious bonus room ideal for movie nights, a play zone, or your new “I just sit here for a minute” retreat. The convenient upper floor laundry means no more hauling baskets up and down stairs—your future self says thank you. The primary bedroom is a true escape, complete with a luxurious 5-piece ensuite that might just convince you to become a bath person. Three additional bedrooms offer flexibility for family and/or guests. Extras? Of course! Central A/C to keep things cool, an oversized insulated double garage for your vehicles (and all the things that mysteriously multiply), and a side entrance to the lower level—perfect for future development or a potential secondary suite (subject to approval and permitting). Located in Hotchkiss, you’ll love the scenic boardwalk wrapping around a 30-acre wetland, nearby parks, and a K-9 school. Plus, with easy access to 22X, Stoney Trail, shopping, and South

Health Campus, getting where you need to go is a breeze. In short: it's stylish, it's spacious, and it might just be "the one."
