Perfectly positioned in a great neighbourhood, 46 Sterling Link combines refined design with the warmth of a true family home. From the moment you arrive, the curb appeal stands out with stone accents, a triple attached heated garage, and a spacious driveway. Inside, you're greeted by a bright, open-concept layout that balances everyday comfort with thoughtful design. The entry leads into a custom maple kitchen featuring granite countertops, a large island with bar seating, stainless steel appliances, and a walk-through pantry that connects to a practical mudroom with built-in lockers and main floor laundry. The dining and living areas are filled with natural light from large windows overlooking the professionally landscaped yard, complete with a tiered deck, hot tub, and both covered and open areas to relax or entertain. Upstairs, an open staircase leads to a generous bonus room – the perfect spot for family movie nights or a cozy retreat. Double French doors open to a beautiful primary suite with a private balcony overlooking a green space, a large walk-in closet with built-in vanity, and a luxurious 5 pc ensuite. Two additional spacious bedrooms and a full bath complete the upper level. The fully finished basement adds even more living space, with a rec room, wet bar with dishwasher and bar fridge, a fourth bedroom, a full bathroom and plenty of storage space. This home's details make it truly stand out: high-end finishes, dual-zone heating, built-in features that add both function and beauty. Located close to parks, schools, walking paths, and shopping, this home offers an exceptional lifestyle in a family-friendly community.
