Pub & Restaurant for Sale – Calgary Located in a busy and established residential area, this 1,810 SQFT pub and restaurant offers an excellent opportunity for an owner-operator or investor. The space features a very competitive rent of \$4,355.40/month including operating costs, making it a cost-effective operation with strong margins. Monthly sales are approximately \$35,000 and steadily growing. As an independent business with no franchise or royalty fees, food costs remain low and profitability is strong. The business generates an EBITDA of roughly \$60,000 per year, with significant potential to increase revenue through expanded hours, marketing, and menu additions. This is a great opportunity to take over a well-established neighborhood pub with plenty of room to grow.
