Occupancy/vacant possession available April 1st! Part or all of the space is available for lease or for sale. Fantastic office space in central location with ample parking and recent renovations!! office space in central commercial district of Grande Prairie. Beautiful Station 98 building has had an extensive exterior renovation completed. There are two main entrances to this large office/professional space - one staff entrance on the West Side of the building and one client entrance on East side of the building, with an abundance of parking for both! These units could be divided into 2 or 3 separate units if needed. This would be an excellent space for accounting, legal, engineering, etc. See virtual tour for interior view of this space.
