Welcome to the Hogan 3 — a bright, stylish home designed with modern living in mind. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. Step into an open-concept main floor featuring a walk-through pantry and a contemporary kitchen with stainless steel appliances, chimney hoodfan, and an island accented by pendant lighting. The great room offers a warm and inviting electric fireplace with tile surround, while a custom wall detail in the dining room adds a touch of elegance. Upstairs, the vaulted bonus room provides a spacious retreat, and the luxurious 5-piece ensuite creates a spa-like escape. With many windows throughout and a generous rear deck for outdoor enjoyment, the Hogan 3 delivers comfort, style, and thoughtful design at every turn. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
