Nestled on a serene, tree lined street —on the Lakeview side of Glenmore Trail is this hidden gem, a beautifully maintained 4-level split offering 4 bedrooms, 2 bathrooms, and over 2,450 sq ft of total living space. Built in 1961, the home blends mid-century charm with modern updates. Mature trees, including a weeping birch and large spruce, frame the property alongside interlocking stone walkways and front drive. Inside, the bright living and dining areas feature a corner gas fireplace, bay window, patio doors to the west-facing deck, and gleaming hardwood floors. The updated kitchen impresses with stainless-steel appliances, a gas stove with double oven, microwave hood fan, granite countertops, tile flooring, and ceiling-height custom cabinetry. Upstairs are three comfortable bedrooms and an updated main bath. The walkout third level offers a fourth bedroom, a cozy family room, a 3-piece bath and a spacious mud room with lockers, leading to the west facing, fenced and landscaped back yard. Plus, you get an insulated & heated double detached garage. An upper deck with a motorized awning, a lower patio with BBQ area, shed, perennial gardens, and a grassy play space complete this backyard oasis. The finished lower level adds abundant storage, a flex area, laundry, and a convenient crawl space.
