FORECLOSURE. PROPERTY IS SOLD AS IS WHERE IS. This corner unit is a fantastic opportunity. The mall features a variety of thriving businesses, including an electric scooter shop, hair salons, and tailors. The mall's family-friendly atmosphere, with a popular play area above, attracts a steady flow of visitors, and there's ample parking, including underground spaces for the winter. Other businesses in the mall include gift shops, cafes, tech repairs, and more, offering a vibrant community. Plus, with regular events, it's a great place to set up shop, especially if you have an online store and need a physical space.
