A powered 60x40 shop sits on a gravel pad. Formerly an RV park, the property offers 10 powered RV sites and 10 sites with sewer along Mountain Creek, plus a 5,000-gallon dumping station. Additional land is available for RV Park expansion (permits required through Athabasca County). Bonus features include an off-grid cabin accessible by private bridge, a greenhouse, pergola, partially finished outdoor kitchen, and established fruit trees (apple, pear, hascap, chokecherry, raspberry).
