From the moment you enter, you're welcomed by high ceilings, bright natural light, and modern high end finishes that set the tone for the entire home. The open-concept main floor features a chef-inspired kitchen with two-toned European cabinetry, white quartz countertops, high-end stainless steel appliances, and a large central island that's perfect for entertaining or family gatherings. The adjoining living and dining spaces are accented by a cozy gas fireplace, ceilings, and oversized windows with premium coverings. Upstairs offers three spacious bedrooms, including a primary suite with a walk-in closet, 5-piece ensuite with jetted tub. A bright bonus room adds the perfect space for family movie nights or quiet reading, while upstairs laundry keeps things convenient. The basement is ready for your ideas already framed for two additional bedrooms or office space and featuring ceilings and a separate entrance, offering potential for future development (secondary suite subject to municipal approval and permitting).
