Priced to sell! Backs the playground! The privacy and comfort of a detached home for barely more than the price of a townhouse. You'll enjoy a view from your bedroom and dining room of a green space and trees, which sure beats staring directly into a stranger's dining room! And you'll be able to watch your kids walk to school out of the back yard. Recent upgrades include new appliances and an expansive back deck. Jet tub in master bath. Move-in ready! Basement has a rough-in for a bathroom and lots of space for an extra bedroom or rec room.
