Fantastic bi-level located in the highly sought after community of Lake Bonavista, where pride of ownership is evident throughout. Completely rebuilt in 2003, this home was transformed from the foundation up with new plumbing, electrical, furnace, siding, windows, interior walls, and finishes completed at that time. Upon entry, you're welcomed by vinyl plank flooring throughout the bright main level. The upgraded kitchen features quartz countertops, a large custom island with breakfast bar, and flows seamlessly into the spacious dining area and large living room with a wood-burning fireplace, ideal for both everyday living and entertaining. A back mudroom leads to the rear deck, west-facing backyard, and oversized double garage. Down the hall are three generous bedrooms, including the primary bedroom with 2-piece ensuite, along with an updated family bathroom. The fully developed basement provides excellent additional living space, offering a bright family room with electric fireplace, two additional bedrooms, a full bathroom, and a finished laundry room. Recent updates continue to enhance the home, including new roof shingles, vents and flashing (2021), 50-gallon hot water tank (2022), upstairs bathroom renovation (2023), kitchen renovation with custom island (2024). Lake Bonavista is known for strong neighbourhood pride, and residents enjoy year-round lake access for swimming and fishing, plus an active community recreation centre offering skating, hockey, gym facilities, social rooms, and programming for all ages. Ideal for families, the area features excellent schools, playgrounds, and Fish Creek Provincial Park and pathways within walking distance. Well priced and move-in ready, this is a rare opportunity to own in one of Calgary's most established neighbourhoods.
