Welcome to this charming original-owner single-attached front garage 3-level split home tucked into a highly desirable location in Somerset. This well-loved property backs onto to a pathway, offering a peaceful setting with added privacy and direct outdoor access for walks, play, and relaxation. Inside, you are welcomed by a bright living room with soaring vaulted ceilings and a large front window that fills the space with natural light. The functional kitchen provides plenty of cabinet and counter space, along with a dining area overlooking the backyard, an ideal spot for family meals or morning coffee with a view. The upper level features three comfortable bedrooms, including a spacious primary bedroom. The lower level adds even more versatility with two additional bedrooms, making this home perfect for larger families, multigenerational living, guests, or home-office setups. A cozy family room with a fireplace offers additional relaxation space, and a large crawl space provides excellent extra storage. Outside, the backyard opens directly to a walking path, enhancing the sense of openness and connection to the outdoors. The single attached garage adds year-round convenience. This home presents a wonderful opportunity to move into a fantastic community and update to your personal style over time. With its functional layout, rare 5-bedroom configuration, and exceptional location, this is a standout option in Somerset.
