Newly built SW turn-key restaurant for sale in a densely populated community, surrounded by low-rise apartment condominiums. This highly visible location offers excellent exposure with convenient access to Macleod Trail and James McKeivitt Road. Ideal for owner-operators, this is truly two investments in one—both the restaurant business and the property. Eliminate landlord risk and rental escalations while operating your own fully built-out restaurant in a prime location. Also suitable for an investment purchase for a highly coveted ideal restaurant size of approx. 2,000 sf. Water is included in the condo fees. All tours are by appointment only.
