Functionality is evident throughout the home and is apparent in the upper level featuring a bright and spacious bonus room with a sectioned area perfect for a computer desk, homework or craft area. Down the hall from the bonus room you will find 2 bedrooms, a full 4 piece bath and the master bedroom which includes a walk in closet, a 5 piece ensuite offering dual vanities, a stand alone shower and for relaxation, a jetted soaker tub. The fully finished lower level, offers even more living space with a massive rec room featuring an electric fireplace, a full 3 piece bathroom, a large walk in storage room which could become a walk in closet with the potential addition of a 4th bedroom in this area. Pride of ownership is evident in this property and you will enjoy peace of mind knowing the dishwasher, electric stove, washer and dryer were all replaced in 2024 and the refrigerator in 2023 and there is a gas outlet behind the current stove.
