This home has been meticulously maintained and renovated with selections & finishings that rival current modern show homes. From the moment you step into the spacious entrance you will appreciate how much natural light flows throughout the entire home thanks to the sunny south facing backyard with extra large windows at the back to capture that beautiful sunlight all day. Note that no expense was spared on the 10mm thick LVP flooring throughout the entire main floor. The kitchen showcases a luxurious suite of high end stainless steel appliances, quartz counters, loads of cabinet space/drawers complete with a walkthrough pantry designed with actual sturdy wood shelving. The separate dining space is large enough to accommodate larger gatherings and the large living rooms feels cozy with a stone tiled fireplace to curl up next to on those chilly winter nights.
