This beautifully upgraded family home offers style, space, and functionality. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge This home features a 3-car garage, main floor bedroom with full bath, and a side entrance for added flexibility. The executive kitchen shines with built-in stainless steel appliances, gas cooktop, chimney hoodfan, and a separate spice kitchen with gas range and French door. A walk-through pantry with wood shelving adds smart storage. Enjoy the warmth of the electric fireplace, vaulted ceiling in the bonus room, and extra windows for natural light. The luxurious 5-piece ensuite includes a soaker tub and a stunning walk-in tiled shower with dual glass walls. All bathrooms feature elegant tile flooring, and the upper main bath offers dual sinks—perfect for busy mornings.This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it’s designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
