The gourmet kitchen features crisp white cabinetry, quartz countertops, stainless steel appliances, and a generous island with seating. The dining and living areas flow seamlessly together, opening to a large south-east facing balcony with plenty of room for gatherings and barbecues. There are 2 spacious bedrooms and a 4-piece main bathroom with modern finishes provides flexibility for family, guests, or a dedicated home office. With in-suite laundry, 1 titled underground parking stall, an assigned storage locker, and low condo fees make this an ideal option for someone seeking value without compromise. A noteworthy feature of this building is the premium exterior, hail resistant, and sound-dampening fibre cement siding. In addition to established shopping (T&T supermarket and Walmart), dining, and scenic ravine pathways, exciting new retail spaces are under development nearby, bringing even more convenience and vibrancy to the community.
